

The Residential Construction Safety Group (ResCon) is an organized team of leaders comprised of safety professionals, government employees and other service providers. Our mission is to increase awareness and improve the safety culture for business owners and safety professionals in the residential construction market through the provision of safety forums, events and support teams in which they can participate. Additionally, the ResCon Safety Group provides regulatory updates, leadership commitment and an atmosphere of sharing and education.

Outdoor Heat Rule - Train the Trainer

ResCon Safety Group

Friday, April 9, 2010

Time: 8:30 - 9 a.m. check in, 9 a.m. - 11 a.m. meeting

Location: MBA Housing Center, 335 116th Ave. SE, Bellevue

RSVP to: Jayme Mattson, (425) 289-6439, jayme@jaymemattson.com

Cost: Free!

Join our two speakers as they breakdown the DOSH outdoor heat rule. Training will be provided and all attendees will leave the session with an understanding of the current standard and how to bring their companies into compliance, as well as how to protect their employees on the jobsite.

Terry Walley, Labor and Industries (DOSH)

Terry is an Industrial Hygienist and has worked for Labor and Industries as a DOSH compliance inspector for 16 years. He currently works in the DOSH technical services program in Tumwater.

Sharon Perkins, Labor and Industries (DOSH)

Sharon works as an Industrial Hygienist for DOSH. She began her occupational safety and health career 12 years ago when she worked for the Safety and Health Assessment and Research for Prevention (SHARP) Program at Labor and Industries. She joined DOSH in 2001 and has worked primarily in Education and Outreach. She currently works in the VPP Program.
