

The Residential Construction Safety Group (ResCon) is an organized team of leaders comprised of safety professionals, government employees and other service providers. Our mission is to increase awareness and improve the safety culture for business owners and safety professionals in the residential construction market through the provision of safety forums, events and support teams in which they can participate. Additionally, the ResCon Safety Group provides regulatory updates, leadership commitment and an atmosphere of sharing and education.

Residential Risks and Hazards – *Quadrant Jobsite Tour and Assessment*

<http://www.quadranthomes.com/findyourhome/redmondridgeeast/directions.php>

RSVP to: Jayme Mattson, (425) 289-6439, jayme@jaymemattson.com

Cost: Free!

Website: www.resconsafetygroup.com

Join us on LinkedIn: "Residential Construction Safety Group"

Required: Everyone needs to bring their own personal protective equipment (PPE) to include hard hats, safety glasses and appropriate footwear. If you do not have PPE, you will not be allowed to participate in the jobsite tour.

This is the ResCon Safety Group's second offsite meeting for 2010! We will be meeting at Snoqualmie Ridge at the Quadrant Sales Office (Aster Creek) located at 34905 SE Keller St, Snoqualmie, Wa. Please be sure to check in prior to 9 a.m.

Join us for a hands on experience at Quadrant's Aster Creek jobsite! Led by Mark Hendricks, Director of Safety for Weyerhaeuser and ResCon Safety Group's 2010 Chair Elect, attendees will:

- Participate in a toolbox meeting onsite
- Learn how to identify jobsite risks and hazards
- Learn how to document risk and hazards in a jobsite report, and
- Learn how to mitigate problem areas

Mark Hendricks, Director of Safety, Weyerhaeuser

Mark started his safety career as a firefighter and EMT for the City of Des Moines in 1974. During the past 36 years he has held several positions in the safety field including Director of Safety and Health for Kiewitt Industrial Company and Baugh Construction as well as the Safety, Quality and Environmental Manager for Skanska USA. Mark has also served as an expert witness testifying in court in safety related matters. He holds a BA in Management of HR/Health and Safety Education, is on the Board of Directors of the Red Cross of King County, and is currently the Director of Safety for Weyerhaeuser Real Estate Company.
